

Surindra Mitruka, MD

Dr. Mitruka is pictured with the China Medical University Department of Cardiac Surgery at Shenyang, China, where he lectured and operated. Dr. Mitruka is shown seated (third from the left), and the Chief of the China Medical University Department of Cardiac Surgery is seated beside him (fourth from the left).

In December 2009, Eisenhower Medical Center Cardiothoracic Surgeon Surindra Mitruka, MD traveled to China to lecture and demonstrate surgical Maze procedures for atrial fibrillation.

Dr. Mitruka is returning to China in March as a presenter at a symposium for 50 top Chinese cardiothoracic surgeons in Sanya, Hai-nan.
