

# Eisenhower Launches Patient Greeting Card Program

Sending words of encouragement to a loved one in the hospital is now just a click away! Spearheaded by Eisenhower Medical Center's Foundation department, the *Send a Smile* program is a simple way to put a smile on a patient's face.

The process is easy and completely free. Patients' families and friends can simply log on to [emc.org](http://emc.org) and click the *Send a Smile* logo, or go directly to [emc.org/smile](http://emc.org/smile). They can choose from a selection of eight images, type a message and click "Submit." The Foundation department will retrieve and print the selected card and message, then hand-deliver it directly to the patient.

No matter how near or far, loved ones can send a smile to the bedside of a friend or family member who is currently hospitalized.
